## Pastor's thoughts …

Warm greetings to you in the name of our Lord and Savior! I hope this summer season has given you moments to slow down, look around, and remember the simple joys that God weaves into each day.

Summer is a special gift — a chance to step off the treadmill of busyness and breathe deeply. But true rest is more than a vacation or an afternoon nap. It is a quiet trust that our souls find their home in Christ alone. Jesus invites us in Matthew 11:28, "Come to me, all who labor and are heavy laden, and I will give you rest."

My prayer is that this summer, you find moments to come away with Him — whether sitting quietly with your Bible on the porch, walking under a starlit sky, or sharing a meal with friends and family. Let these slower days remind you that you are loved not for what you do, but for who you are in Him.

I also encourage you to stay connected to the body of Christ, even as you travel. Worship with us when you are in town — your presence blesses us more than you know. And if you find yourself on the road, carry His Word with you and pray for one another.

May this be a season of renewal for your body, mind, and spirit. May you return to the rhythms of autumn refreshed and ready for all that God has in store.

Rest well, dear friends. The Lord delights in giving rest to His beloved.

In His peace,

Pastor Deb
